## Rehab Myth

---

Rehab is only for people  
who can afford to pay  
for it themselves.

---

---

## **2 Myth Buster**

---

There are lots of rehabs that can be accessed for free through your local council, though sometimes people might be asked to make a small contribution to the cost of their stay. Many rehabs are also able to offer placements funded by their charitable reserves and donations.

# Rehab Myths x 10

## COMING SOON...

---

Waiting times are too long for people to be able to access rehab

---

All rehabs use the same model for treatment

---

Individuals have to go through motivation test processes to access rehab
