## Rehab Myth

---

**All rehabs use the same  
model for treatment.**

---

---

## 4 Myth Buster

---

There are a variety of models that rehabs employ, with many using a mixed approach, so individuals can find one that best suits their needs and be supported to do so by their worker.

# Rehab Myths x 10

## COMING SOON...

— Individuals have to go through motivation test processes to access rehab

— People can only go to rehab once

— Residential rehabs cannot accommodate people with co-occurring mental health conditions

— Residential rehab is a luxury
